
A free shop window opportunity to advertise or display for all clubs and organisations in the town

Martin Steels Optometrist offer all the Charities, Clubs, and Community Organisations of Arundel a window at their premises at 39 Tarrant Street to display their activities.

The window can be booked for two weeks at a time, either topically – e.g. Lifeboat Week, Poppy Day, a fundraising event etc or take the space in the appropriate season to boost your membership e.g. league of friends, outdoor bowls, tennis club, swimming pool.

You would compile the display yourself, a fter discussion with our receptionist. If you would like to know more about this brilliant chance for your organisation, call in or phone Heather on 01903 883444. Get your dates into the community diary first!

Martin Steels Ltd look forward to helping you be better known in Arundel.
